You can place out of CS 111 if you earn a high score on the AP CS A exam, or if you have other equivalent background. For placement information, consult http://cs.carleton.edu. Plan to learn Python before taking CS 20x.

Two electives are required for the major; most are offered every other year. Electives not offered in 2023–2024 are grayed out. ∗ = add’l prereqs

All yellow-shaded courses, Math 111, and two 200+-level electives are required for the major.
