

Welcome to TRIO

The TRIO Student Support Services (SSS) program at Carleton is a supportive community where students from similar backgrounds come together for academic, personal, and financial support.

Our students represent and advocate for TRIO across the campus by participating in student orgs, on-campus work study positions, and campus committees.

Our program is based out of an on-campus house where students can gather to create community, relax, or study.

What is TRIO?

TRIO is a set of nationwide college opportunity programs that motivate and support students from qualifying backgrounds in their pursuit of a college degree. Our team provides academic counseling, personal guidance, financial advising, and mentoring to eligible Carleton students.

TRIO programs are federally funded through the U.S. Department of Education to serve a limited number of eligible participants each year.
