Love to Learn? You've Come to the Right Place.

Carleton students have a deep love for learning, matched by our professors' passion and enthusiasm for teaching. Our diverse academic programs provide a broad foundation for solving real-world problems. At Carleton, students join a uniquely supportive community that fosters their innate curiosity and prepares them to make a profound impact on the world.

NORTHFIELD, MN: Our location offers the best of both worlds. The moment you step off campus, you'll be in the middle of downtown Northfield with great coffee shops, a Carl-owned bookstore, and everything else you could ever need. Hop on a bus to the Twin Cities and explore the arts and music scene, cheer on sports teams, and visit the Mall of America.
