

Fellowships Brainstorming Questions

Who or what (do you want to study, experience, explore)?

Where (do you want to undertake your fellowship)? Do you need/have a passport if you want to travel internationally?

When (do you want to undertake your fellowship – summer or Winter Break – and for how long do you want to do it)?

Why (do you want to do this? For an academic (discipline or study-related) purpose? For a personal purpose)?

How (do you imagine doing this? What steps will you need to take)?

What do you already know about your topic or focus?

What do you need to learn about your topic or focus to write a proposal about it?

What do you need to know to create a budget for your application?

Who will you ask for recommendations?
