Welcome Carleton College Class of 1987

35th Reunion
June 16-19, 2022
“That was then, this is now”
Got to talk fast . . . remember this gem?

https://www.youtube.com/watch?v=aTiWOYCMM0g&list=PPSV
Let’s jump into the time machine and travel back and through time...
From 1983-1984...
... through 1986-1987 and ....
... ok, one more 1987 memory ...

and then onto the future and the year 2022 some 35-39 years later
all the way to June 16-19, 2022, and...

reconnecting with Carleton’s beautiful campus and our fellow friends and classmates.

But before jumping into the “Time Machine” we will start with a quick look at Minnesota’s beautiful theater of the seasons that we all enjoyed while at Carleton...
Arriving in late summer and onto campus for beautiful autumns in Northfield to start the year . . .

But, we all know . . .”
“Winter is Coming”
Which means ice, deep freezes, snow, hockey, skiing, and broomball . . .

while, for some at least, dreaming of warmer spring days . . .
But we have to wait agonizingly long . . .

for the joy and rebirth of spring . . . .
... and Ultimate Frisbee, Rotblatt, Spring Concert and Mai Fete ...

... until one day it all sadly ends on graduation day June 13, 1987
So now that you are on campus in mind, body and spirit back in 1983 . . . Let’s go . . .

in our “Time Machine”
