Dear '82 Classmates,

Believe it or not, we are planning for our 40th Reunion, June 16-19, 2022. Guess what, there is plenty of time for YOU to contribute and participate. How you ask, with energetic anticipation in so many ways:

- **Plan to attend.** Put it in your calendar. In big bold letters. We want to reconnect with you (or meet for the first time), reminisce about our Carleton years, find out what you have been doing, and meet your significant others and perhaps children. We will attend lectures and panels, listen to music and dance, ramble through the Arb, and engage in late-night pub sessions.

We anticipate having quite a bit of fun, learning something new, and walking down memory lane. We also have the opportunity to create opportunities that are unique to our class. So keep an eye on carleton.edu/alumni for updates and registration information.

- **Volunteer to help with a program.** Want to share a passion, talent, or experience? We want to hear about it! Not everything has been set in stone, but some of the ideas discussed during the first couple planning sessions include the items below. Let us know what you think about these, and very importantly, we want you to contribute your ideas. Some ideas so far include:
  - A multi-class event focusing either on Study Abroad experiences or Alumni Adventure trips
  - Class members (maybe with an emphasis on KRLX days) and guest deejaying a dance party with new wave or punk music
  - A memorial gathering in a dedicated lounge to remember our departed classmates
  - Discuss Carol Quirke’s book on Dorothy Lange (and Carol has agreed to speak at Reunion)
  - An Off-Campus public crawl

- **Give us a preview of your life and activities.** Of course. It is most desirable to see YOU, IN PERSON, at the Reunion. We want to stimulate your classmate’s curiosity, so we are contemplating a bioblock page, to be located on our class webpage. More on this will be presented in future announcements if it is something that makes forward. Share your opinions and ideas! Any great graphics?

- **Join the reunion committee!** We are not an exclusive group, quite the contrary. We want as much diversity, participation and input as possible. We want representatives from all walks of Carleton life—different majors, sports, clubs and activities, interests and careers, races, ethnicities, gender/sender/identities, ages, and the list goes on. Your time commitment can vary from periodic to constant depending on your life.

In fact, add your name to the list below! We understand people have varying time availability, but your name and connection to your friends, teammates, classmates, etc. means more than you can imagine.

Help us make our 40th Reunion extraordinary, one that will produce memorable experiences for you. In these interesting times, it can be fun and enriching to walk down memory lane, revisit our glory days at this amazing college, and reconnect and re-kindle relationships, and even make new ones!

Can hardly wait to see you in June!

The Class of '82 40th Reunion Committee
