

REUNION 2020

Horrible red Everclear punch, weak 3.2 beer and the most outlandish, cobbled together costumes imaginable—all staples of the Parish House Halloween Party, circa 1984! We all long for the rituals. The mad run on everything and anything wacky at Ragstock. The costumed masses walking through the streets of Northfield on a crisp, cool night. Dancing for hours in the sweaty, windowless room in the back of the basement. The B52's, the Clash, the Cure, providing the energy and the beat. The guy running around the party wearing a Ronald Reagan mask (how he drank beer through that thing is a mystery). One of my favorites: the year half the guests decided to come as something really scary—Extra Strength Tylenol!

Then, after a late night of locomotion and mild debauchery (PG-13), the ultimate 3.2 beer hangover cure—a hot SAGA breakfast of soggy hash browns and powdered eggs.

The Parish House Halloween Party has been relegated to the ages, but it lives on in our collective memory. While we can't recreate it, you can join the same group of heedless amateurs for a grand weekend with a little good beer (no Hauenstein!), a little music, a little dancing, and a whole lot of great conversation at the upcoming **Class of '85 35th reunion, June 18-21, 2020. Registration opens early March 2020!!!**
