Greetings Class of 2002!

20 years ago, we made it through classes despite the constant noise of construction, despite some of us living in the lounges of Goodhue, despite the peer pressure to stop writing that paper and play some Mario Kart. Little did we know the challenges still ahead of us. Carleton was just a stop on our journey but memorable nonetheless.

Return to where it all began and Save the Date for the 2002 20th Reunion June 16-19, 2022. The Reunion Planning Committee has been busy putting plans in place for an awesome 20th Reunion, with games and activities for the whole family, trivia night, Alumni College presentations, and plenty of opportunities for catching up with classmates. The future is unpredictable but we are hoping conditions will be safe for us to gather in person this June so we can relax around the Mai Fete bonfire once more.

In the meantime, check out what our classmates have been up to in the class Bio Book and take a well-deserved break from zoom calls to add your own entry.

We look forward to an epic reunion weekend that will be ‘02 LEGIT TO QUIT!

Best,

Gina Poretti and the 20th Reunion Programming & Gift Committees

P.S. Do you want to join the Planning Committee? It’s not too late! Email Krista Herbstrith to get involved.
