Carleton Class of ’02 20th Reunion

Dear Class of 02,

As we (hopefully) emerge from the worst parts of this pandemic, time marches on, and it is now twenty years since we launched with our Carleton degrees, believing that we had figured things out and knew what we were doing!

In these two decades that have passed we know that many of you may have yet to return to campus, while others have diligently checked in at our five year marks and know how much fun it can be to return to campus and strengthen friendships new and old.

The pandemic has certainly reminded everyone about the power of connectedness, we’d love to see each of you, and hear more about the paths you’ve traveled.

So, please do the following ASAP:

If you have not yet registered, stop reading this right now and immediately log on to the Reunion page to complete the registration process.

For those of you who actually are still on the fence about attending Reunion, we have some other activities for you to complete that will definitely get you motivated to attend.

- First, take a look at schedule of events for Reunion
- Second, check out the list of people who have already registered and will be there.
- Third, take a look at the Carleton Class of 2002 page on Facebook. What’s that you say? You are not on our Facebook page? Wait... you are not on Facebook at all? Well, sign up right now and join our Carleton Class of 2002 page immediately. Or, if you’ve left facebook and are only on TikTok and LinkedIn, bug someone else who isn’t embarrassed to admit that they still are. There will be plenty of updates and classic photos, so just the thing to convince you to make the trip back for Reunion!
- Lastly, the Alumni Annual Fund is hosting Maize & Blue Daize through April 7, 2022. Maize & Blue Daize is a fantastic way to celebrate the Carleton community and support current students.

Dust off your suitcases, remind yourself of the joys of cramped airplane seats, and COME TO REUNION!

Sincerely,

Your 20th Reunion Committee
