CARLETON

Dearest friends from the class of 2003-

It's hard to believe it's been 20-odd years since we walked the stage to receive our diplomas on The Bald Spot. So much has happened since then that is now safely locked away in Facebook archives. Remember when Facebook was a thing? The '00's man. What a time to be alive.

Our reunion is fast approaching (**June 16-18, 2023!**), and we hope you'll join us for a weekend of sharing old memories and making new ones.

We know that many of us have gone on to do amazing things in the 20 years since we graduated, and we can't wait to hear all about your successes and adventures. Whether you're a teacher, a doctor, a parent, an entrepreneur, an artist, or anything television pundits would struggle to define as "whatever it is Millennials are doing for a living now," we want to hear your story!

Come to help us remember where Twigenometry was and/or how to spell it. Come to visit your freshman lounge, take a walk in the arb, sing in the chapel, try to remember where your mailbox was, or see what a radio station looked like before iTunes. Wander around campus pointing out things that are or are not where they used to be. Seriously, if you've not been back recently, you could make a whole day of it.

No matter what you do, it will be a truly special weekend because people you love and have not seen in a very long time will be there. We've got a spot open at our table for you. Drop your tray and have a seat.

There are also rumors of air conditioning.

We have a lot planned for reunion weekend including Not So Late Night Trivia, Yard Games, Family-friendly Bonfire, and more. **Check out the full [schedule of events](#) and the list of [who's coming](#). [Register today](#) for the best weekend anyone has had in 20 years.** This is a literal guarantee, endorsed by an actual lawyer from our graduating class.

Warm regards,
The '03 Reunion Planning Committee
