## CARLETON

Dear friends,

Twenty three years ago, we were all returning for our first frozen winter in Northfield. I saved some errands for Minnesota, walking downtown in the first few weeks of winter term to buy ice skates (I never learned to do any jumps...), crisp winter air warm with the scent of malt-o-meal in my nose that somehow negated the effects of the frozen snot I had never experienced growing up fewer than 25 miles from an ocean.

I haven't returned to Minnesota in the winter since 2003. Luckily, I'm writing to you in hopes to entice you to join your classmates this June, for our 20th reunion. All of the Bald Spot, with none of the frostbite!

We came from many different places, initially, to arrive at Carleton, as we will in June. As a planning committee, we endeavor to welcome you back to Carleton no matter what place you're coming from right now. A few highlights:

- Family friendly events: your children will be welcome, no matter their age. **A virtual session on Camp Carleton is going to be held on February 16 at 11 central time. [Register today!](#)**
- There's no requirement to drink and we're making sure there are alcohol free options.
- As we pass three years of pandemic, we're doing as many events as we can outside to minimize risk.

Want to know more about what your classmates are up to? **Check out our class [bio book](#) and add in your info, too!**

We're planning on games in the sunshine, crackling bonfires as day wanes to night, and plenty of nostalgia for days gone by. We'd love it if you join us for it. We'll all be there and we would love to see you.

**Save the dates: June 16-18, 2023!**
