Throwback like it’s the spring of 2015
Spring is starting to spring! To get us in the mood for our Reunion here is a highlight brought back from a time not so long past. The man, the myth, the auto-tune legend T-Pain’s visit to campus for Sproncert ‘15.

March 2022 Update

Registration for the Aug. 5-7 Milestone Reunion is coming up soon! We will open registrations on April 12. We look forward to welcoming the classes of 1970, 1971, 1985, 1986, 2015, and 2016 back to campus. Volunteers from each class have organized an exciting array of activities in addition to traditional reunion events like the parade of classes and alumni convocation.

On-campus housing will only be available with the full weekend Reunion package so register early to guarantee your space in one of the dorms. We will attempt to house classes together as space allows, with the 50th classes based in Watson and Cassat, the 25th in Evans and James, and the 5th in Goodhue. More information about logistics and registration can be found on the Milestone Reunion website.

Vote! Vote! Vote!

View and vote on the designs for your special class item! 2015 and 2016 are the last regular classes to receive an all-class gift at Reunion since from this point forward we are prioritizing more sustainable practices during this celebratory weekend. We hope that this small surprise makes you smile and you’re able to keep using it in adventures to come.

Program Highlights

The weekend begins on Friday afternoon. Alumni may check-in beginning at 3pm, and there will be an all-Reunion reception with faculty and staff followed by class dinners and evening programming.

Saturday begins with two Alumni College talks—Sustainable Endeavors to Combat Climate Change, a multigenerational alumni panel, and From STEM to STEAM: Pioneering Video Game Music at Carleton, with Assistant Professor of Music, Brooke McCorkle. We look forward to gathering on the Bald Spot for the parade of classes followed by Convocation in the Chapel.

The afternoon will include an Alumni College talk on inclusion, diversity, and equity, followed by an outdoor concert with Jamie Ratcliff ’96 and the Ernest James Zydeco band and other class-specific events. The evening will include dancing in the Weitz Theater with the Bluewater Kings Band hosted by the 50th reunion, a 90s dance party in the Cave and Evans Lounge hosted by the 25th reunion, and a dance party in the Rec Center tent hosted by the 5th reunion.

Sunday morning will include additional class events and will wrap up with a Sweet Farewells gathering at 11am. For more detailed schedule information, view the complete schedule on the Milestone Reunion website and online during registration. See below for more information from your planning committee members about your class-specific events.

COVID Information

The Milestone Reunion will be held in accordance with Carleton COVID policies and with the guidance from the college’s COVID-19 Core Team and decision-making framework at the time of the event. While specific restrictions and mitigation measures may change between now and August, all attendees will be required to be vaccinated and boosted (if eligible) and adhere to campus COVID policies at the time of Reunion. More information about these policies is available on the Carleton COVID website.

Planning to bring the kids? Help us plan for the student staffing that we need! We are hoping to get an idea of how many children (ages 6-11) we are expecting at Milestone Reunion 2022, so that we can plan accordingly for our student staffing during a time over the summer when students aren’t normally around. If you are planning to bring your children to Reunion with you, please take a moment to complete this quick survey.
