August 5-7, 2022

## May 2022 Update

### **Beds and Fanny Packs are on the line... Register!**

On-campus housing is filling fast! So register soon to guarantee your space in one of the dorms and that you will be able to model one of our fantastic fanny packs. If your plans aren't yet firm, but you'd like to stay in on-campus housing, you can register now with the confidence of a full refund through July 20, 2022.

We will be having an East vs West campus accommodation situation with Goodhue and Burton as our assigned dorms. If you'd prefer more traditional (non-dorm!) accommodations, you can find more information about options at [Northfield Area Lodging](#).

If housing is full when you register, you can choose to be placed on the waitlist. College staff keep a close eye on registration cancellations and changes in housing needs and will contact those on the waitlist as space becomes available.

More information about logistics and registration can be found on the [Milestone Reunion website](#).

## Who's Coming & What's Happening

Curious about which of your classmates are planning to be on campus in August? Check out the [Who's Coming](#) list.

Excited to plan your daily Milestone Reunion itinerary in advance? You can find the schedule of events for [2015 Events](#).

## Summer Send-offs!

May 1st was the admissions deadline, over 515 new Carls are on their way to Northfield this fall! We are excited to welcome the Class of 2026 to campus... and... wow... 2026.... time flies!

Summer Send-Offs are a wonderful opportunity for Carleton's newest students to come together and meet other Carls from their area who will be a part of their incoming class, making connections with Alumni, and in general, getting some of the pre-arrival butterflies relieved.

Back in 2011, these events were hosted in people's homes. Since then, our community has grown and now we are happy to host these events at local parks, venues, and virtually! [Sign up to help welcome our newest Carls](#) and [find out where the closest one is to you!](#)

## Keep up with COVID-19 Protocols

The Milestone Reunion will be held in accordance with Reunion COVID policies and with the guidance from the college's COVID-19 Core Team and decision-making framework [at the time of the event](#). While specific restrictions and mitigation measures may change between now and August, all attendees will be required to be vaccinated and boosted (if eligible) and adhere to campus COVID policies at the time of Reunion. More information about these policies is available on the [Carleton COVID website](#).
