Dearest Citizens of Middleearth:

In a town by a river, there lived some Carls. Not a dirty town, like if Musser were a town, nor a dry town with nothing in it. It was Northfield, Minnesota, and that means cows, colleges, and contentment.

Please save the date for our 10th Reunion:

Where: Northfield, Minnesota

When: Friday, June 19th - Sunday, June 21st, 2026

Registration opens in early March!**We have lots of fun things planned, like:**

- Yard games, bonfires, and s'mores
- Trivia with Arnab (remember Trivia at the Rueb?)
- Rotblatt
- and more!

While you wait for our long-expected party, please keep an eye out for:

Alumni Awards! Our class is eligible for the [In the Spirit of Carleton](#) and ['C' Club Hall of Fame](#) awards. We already have **SIX** nominations underway and if you'd like to help please reply to this email.

Class Gift! SAVE THE DATE! December 2nd get your Castars and Tharnis ready to participate in our Class Challenge during Giving Tuesday! We've been cooking up something even better than Hobbit feasts.... **LATE NIGHT SAYLES!!!!** That's right the Late Night Sayles challenge will be hitting your inboxes and we hope that as we light the beacon-hills of Gondor that you as our Rohan answer the call! Reminder: Any gift made from now until June 30th will count toward our class gift!
