Welcome!

First and foremost, THANK YOU for everything you do.

Carleton volunteers organize Reunion, solicit classmates, host and attend events, share Carleton love on social media, welcome the next generation of Carls and continuously give back to Carleton in countless ways. Your dedication to strengthening our alma mater makes a real difference for students, faculty, staff, and alumni. These efforts are essential and greatly appreciated.

We are excited for a larger, Mammoth CAVE this year, bringing our alumni boards’ members, ’4s and ’9s Reunion teams, and Alumni Annual Fund agents together. We look forward to this weekend of volunteer engagement providing opportunities for collaborations and conversations with members of our Alumni Admissions Representatives (AAR) Board, Alumni Annual Fund (AAF) Board, Alumni Council, Carleton Careers Alumni Board (CCAB), ‘C’ Club Board, Multicultural Alumni Network (MCAN) Board, and Out After Carleton (OAC) Board.

We hope CAVE provides opportunities to reconnect with fellow alumni, hear updates from college leadership, as well as time to explore new and beloved places on campus. Of course we also hope you spend some time planning your reunions, doing AAF outreach, and planning your board’s goals for the coming year.

This guide will assist you during your time on campus. We’ve set aside ample time for team-specific sessions so that you can connect as a committee or board and plan for the year ahead. Staff-led workshops, information sessions, and office hours are also scheduled throughout the weekend offering tips and guidance for specific volunteer roles.

Checklists (see page 4) will walk you through what we hope you will accomplish this weekend – whether you are a Reunion committee member, board member, or an AAF volunteer, or all three.

As you develop plans for the year, we hope you will consider:

- Who else should we invite to join our volunteer team/reunion committee?
- What was important to our class that we want to highlight?
- What do we love best about Carleton and how can we share that in a fun, focused way to engage others?

We are so excited for the year ahead. Please reach out to staff or an AAF Board member any time you have questions, and have a great weekend!

In maize and blue,

Anita Fisher Egge ’94
Director of the Alumni Annual Fund

Michael Thompson ’96
Director of Alumni Relations

Expense Policy

In accordance with Carleton College policy, volunteers may receive reimbursement of expenses incurred while conducting College business. Volunteers may submit their travel expenses either for reimbursement or to receive a letter from the College that they can use for tax purposes. We no longer transfer the equivalent of those expenses from the AAF/Alumni Relations office budgets to the AAF for individual gift credit.

The college does not wish to limit the participation of any volunteer because of financial restrictions. Alumni engagement is important to the college. Our goal is to ensure that all volunteers can participate, not necessarily to cover all the costs associated with attendance. Please note that you will need to pay up front for your associated travel expenses. You can be reimbursed for the following expenses:

- **Air Travel:** The cost of your three-week advance-purchase round-trip coach airfare. We encourage you to purchase the lowest available airfare from your home city. We have a general guideline of $400 or less for fares, but recognize that from some cities fares may be higher.
- **Transportation between the Minneapolis/St. Paul airport and campus:** Round-trip cost of transportation up to $100. We encourage volunteers to carpool when possible.
- **Car Travel:** Mileage between your home and campus at 14 cents per mile (the IRS-approved rate for volunteers), or the cost of a three-week advance-purchase round-trip coach airfare, whichever is less.

The following are considered ineligible expenses for reimbursement. However, you may be able to deduct these types of expenses on your taxes:

- Travel between your home and your local airport; airport parking
- Lodging en route to a meeting (if you drive long-distance to campus)
- Food and beverages en route, or other than those provided during the business portion of the on-campus meeting
- Airline fees for checked baggage
- Mileage, if you’ve rented a car (mileage is included in the cost of most rental cars)
- Care arrangements for children or pets
- Gifts for hosts (e.g., if you stay with friends or relatives)

Please note that the IRS requires original receipts for all expenses for the College to process a reimbursement. We would appreciate receiving your expense statement within 30 days.

(Forms on next page)
To receive reimbursement for volunteer expenses, or a letter for tax purposes, complete the Volunteer Expenses Form.

If you haven’t received reimbursement from Carleton in the past, you will need also to submit a W-9 Form with your Volunteer Expenses Form.

The Carleton Business Office has a secure electronic file transfer portal to receive sensitive tax information. Contact Kim Barnes (Alumni and Parent Giving Coordinator) at kbarnes@carleton.edu to request a secure link (will expire 7 days from delivery).

Questions about reimbursement?
If you have questions regarding reimbursement, email kbarnes@carleton.edu.
