A message from the Out After Carleton co-chairs

Hello fellow alumni!

We are reaching out to share updates from Carleton’s Gender & Sexuality Center (GSC)! We want to give a special shout out to recent board member Krystal Stackhouse who shared her journey from applying to Carleton as a first-generation student, to now being a Board member for the Out After Carleton Board! We have also created a community plan for inclusion, diversity, and equity. It is open for alumni to comment and make suggestions at bit.ly/communityplan.

Updates from the Gender & Sexuality Center (GSC)

This spring term, the GSC celebrated its 2nd annual Pride Week on campus. The week centered around finding a better way to be a better ally, and the importance of choosing the correct language for people when talking about gender and sexuality.

The week began with a workshop hosted by our community dialogue co-sponsored by the Office of International Life about the "ins and outs of gender and sexuality across the world." The week was capped off with a student-led program called Carleton's a Drag — offering student performers the opportunity to explore gender presentation and expression through the art of drag.

The GSC will be wrapping up the term with our annual drag makeup tutorial and a Pride swag giveaway. In addition, we'll have an annual Pride Week event called “Out After Carleton” for all Carleton alumni, students, faculty, staff, family, and friends. Out After Carleton is currently looking for volunteers to help organize our upcoming conference - we still need more volunteers to help make this event a success! Please email outaftercarleton@carleton.edu if you'd like to volunteer.
