2023-2024 Verification Worksheet

Directions - PLEASE read instructions carefully.

The federal government selected your Free Application for Federal Student Aid (FAFSA) for review in a process called Verification. In this process the law requires Carleton to compare information from your 2023–2024 FAFSA application with the 2021 federal tax records, W-2 forms, or other financial documents before awarding Federal Student Aid. If there are differences, your FAFSA information may need to be corrected.

You and the parent that completed the FAFSA, must complete and sign this *Verification Worksheet*. We ask that you submit any required documents to our office within two weeks of notification so that your aid won't be delayed. If you have questions about Verification, do not hesitate to contact our office at (507) 222-4138 or financialaid@carleton.edu.
