Updates on COVID-19 and Winter Term

The COVID-19 Core Team recently shared that the COVID-19 vaccination and booster requirements will remain in place for the Winter Term, which begins January 21, 2022. Students, faculty, and staff who are eligible to receive a booster dose of the COVID-19 vaccine will be required to do so by January 21, 2022.

In preparation for Winter Term, the University is modernizing the studio space and its equipment. Renovations will be finished before the beginning of winter term.

Campus news

The Carleton Ultimate frisbee teams are sending four teams to compete in the USA Ultimate College Championships in Norco, California. The semifinals and finals will be shown on campus station KRLX.

Upcoming events

Two seasoned media professionals discuss the work of covering and creating news.

January 14: Mona Chalabi presents her work as a data journalist and her passion for uncovering the importance of data. The Guardian where she writes articles, produces documentaries, and illustrates, will host the conversation.

January 7: Chuck Collins is co-founder of Wealth for the Common Good, a network of business leaders, high-income households and partners sheared prosperity and fair wealth distribution reform. Despite being born into the 1%, he has devoted his life to working together to promote income equality.

Career building

The Career Center is seeking new opportunities for externships this winter break. This is the largest number of students to participate in the externship this winter break.
