### Carls return to campus for Reunion

June 16-19 marked the return of more than 2,000 alumni, family, and friends to campus for Carleton's first in-person Reunion since 2019. From the single member of the Class of 1947 to the 150 members of the Class of 2017 who attended, the joy of finally being able to gather together was evident throughout the weekend. As President Larry Gould said, "You are a part of Carleton, and Carleton is a part of you."

Among the many activities that took place over the weekend, several alumni were honored for distinguished achievement, exceptional service, and pursuing paths in the spirit of Carleton. Learn more about these exceptional alumni below.
