Volunteer for Carleton

July 13, 2022

Save the date for Carleton Summer Send-off Events!

We’re excited to welcome your student to the Class of 2026, and want you to feel part of the community! Throughout the months of July and August, we will host 22 in-person and virtual events all over the globe that brand-new Carls and their families are welcome to attend. Each event will be co-hosted by alumni, current students, and current parents, and will give you a chance to connect with other 2026 students and families, as well as interested alumni and current students who can give you a sense of what campus life is like.

A software bug interrupted the Parent/Guardian Information Update process at the beginning of July. We apologize for the inconvenience.

New Student Week Logistics

We hope you and your Carl are excited for move-in day! New Student Week begins on Tuesday, September 6, with residence halls opening at 8:00 am. Parents and guardians should plan to leave campus by 7:30 pm. More details on activities planned for New Student Week will be sent over the summer.

Interested in volunteering?

Carleton parents and guardians can be wonderful ambassadors and advocates for the college, helping us secure internships and externships for students, hosting events, and serving as resources to parents of prospective students. If you’re interested in volunteering, let us know by filling out the survey. You’ll receive a survey link via email, and if you choose to participate, we’ll archieve your record and then link to the section labeled “Volunteer Opportunities.”

Parent/Family Gateway

We encourage all parents and guardians to check out the Parent/Family Gateway! The Gateway has a wealth of information and is a great starting point if you ever have questions about Carleton. In addition to contact information for many of the offices you may interact with, we archive all parent newsletters and webinars here.
