Dear Parents and Families,

Update from the Dean of Students

The fall recruiting season is off to a terrific start for Carleton students! We have seen an increase in student activity and the enthusiasm is contagious. Last week, nearly 100 students visited the Career Center, which was hosting a Career Building Fall Recruiting Showcase. Students had the opportunity to meet with representatives from companies such as Boston Scientific, St. Olaf College, and the University of Minnesota. Nearly 400 students are expected to participate in the Fall Recruiting Showcase, which continues through the month of October.
