First Draft of Strategic Plan Released

As you may know, Carleton has been engaged over the past year in a strategic planning process to help shape Carleton’s direction over the next decade. This wide-ranging effort has involved task forces, campus and alumni governance groups, open meetings, and online opportunities that have allowed us to hear from Carleton’s many constituencies. The Strategic Plan Coordinating Committee is continuing to gather feedback from the Carleton community before presenting a final plan to the Board of Trustees at the end of October.

Supporting Students

Miss Your Carl? Host Another Carl in Your Home

Short-term housing is needed for externs during the Career Center’s Externship Program November 27-December 15. We are actively recruiting housing hosts in the greater Minneapolis/St. Paul area, the greater Boston area, and the San Francisco Bay Area to make this program more accessible for more students who will be working in-person. Parents of Carleton alumni are invited to consider inviting an extern into their home. Check out the full list of cities where we need assistance.
