Navigating Career Planning: A Guide for Parents of Carleton Students

Throughout a college student's academic journey, parents often play a crucial role in providing support and guidance. While academic success remains a primary focus, career planning is an equally important aspect of a student's overall development. Helping your student navigate the path to career success requires a supportive and informed approach. [Read the full story](#) for recommendations for parents to help guide their Carls in career planning.

Upcoming Events

Carleton Connects: Prof. Layla Oesper and Fighting Cancer with Computer Science

January 15

2 pm CST via Zoom

Can a better understanding of cancer be unlocked by computer science? Hear from an award-winning professor how new algorithms help us understand and respond to the problems of genetic mutation.
