## Ice Cream Social TODAY!

Come one, come all to the Department of Mathematics and Statistics Ice Cream Social on Friday, **September 19 at 4:15pm**, just outside the CMC on the **Boliou Terrace** (or CMC 201, if it's raining). Help us celebrate the beginning of the new year by eating ice cream treats! Bring your friends! We hope to see you there.

## The Northfield Undergraduate Mathematics Symposium (NUMS)

NUMS is an annual conference for students from Carleton and St. Olaf to present talks about research projects they have been working on. This year, the conference will be held on **September 30th at St. Olaf**. Watch the MAST interest list for a schedule and details about attending. If you are interested in presenting your math or stats research at the conference, the **deadline for applications is TODAY at 5:00pm**. [You can apply through this link](#). (If you'd really like to present but are unable to get your application in by 5pm today, please email Deanna at [dhaunspe@carleton.edu](mailto:dhaunspe@carleton.edu).) We hope to see you there!

## Math/Stats Skills Center

The Math/Stats Skills Center is a collaborative space where you can be part of a community working to expand conceptual and computational understanding in mathematics and statistics. Peer tutors are available to help you build problem-solving skills and use tools such as R, LaTeX and Mathematica. The Math/Stats Skills Center offers drop-in tutoring Sunday-Friday in the Center for Math & Computing (CMC). We are closed on Saturday. See below for specific times, locations and courses.

### **MATH: 2-10pm Sun-Thu; 2-5pm Fri in CMC 231**

Peer tutors are able to help with Calculus (MATH 101, 111, 120, 210, 211), Linear Algebra (MATH 134, 232), Mathematical Structures (MATH 236), Ordinary Differential Equations (MATH 241), Mathematica and LaTeX.

### **STAT: 7-10pm Sun-Thu; 7-10pm Fri in CMC 304**

Peer tutors are able to help with Intro to Statistics (STAT 120), Data Science (STAT 220), Regression Analysis (STAT 230), Statistical Inference (STAT 250), Probability (MATH 240), and R.

**Rebecca Terry, Director**

### **Upcoming Events:**

Functions Workshop (4:30-5:30pm on Monday, September 22 in CMC 301)

R Workshop (8:00-9:00pm on Thursday, September 25 in CMC 306)

Calculus Carnival (4:30-5:30pm on Monday, September 29 in CMC 231)

Mathematica Workshop (4:00-5:00pm on Friday, October 3 in CMC 304)

## 2025 Undergraduate Research and Internship Symposium

This year's Undergraduate Research and Internship Symposium will be held in the **Rec Center**, **from 4:30 pm to 5:30 pm, on Friday, October 17.**

The last day to register for the symposium is **Thursday, October 2**, and the [registration form](#) is available on the [symposium website](#).

Symposium participants will be required to submit the final version of their poster when they register. Symposium organizers will print all of the posters and have them ready for participants at the symposium. This process is intended to reduce spikes in poster printing demand for Print Services.

## Math GRE Prep

Are you planning to take the Mathematics GRE subject test this fall? Fill out [this form](#) and Kate Meyer will reach out to connect you to resources and peers at Carleton.

---

## Thinking about grad school in math or statistics?

Come to **CMC 306 on Tuesday, September 23 from 4-5pm** to learn about different types of programs, financial considerations, and how to prepare a strong application. A panel of Carleton alumni will share their experiences and insights, and staff from the Career Center and Writing Center will identify Carleton resources to help you along the way.

---

## Graduate Programs

### Biostatistics at the University of Michigan

The University of Michigan's Department of Biostatistics is offering three in-person opportunities - plus another virtual-only session - designed for students exploring graduate study in biostatistics and health data science.

- [Biostatistics Prospective Student Day](#): Saturday, Sept. 20 | 9:00am - 1:00pm
- [Biostatistics Hackathon 2.0](#): Saturday, Sept. 27 | 10:00am - 4:00pm
- [School of Public Health Prospective Student Day](#): Saturday, Oct. 11 | 8:30am - 1:00pm
- [Biostatistics Virtual Department Information Session](#): Thursday, Oct. 16 | 7:00pm - 8:30pm ET

### Empirical Research Fellowship at Stanford Law School

Stanford professors John J Donohue and Alison Morantz are seeking [full-time Pre-Doctoral Research Fellows](#) to begin work in the summer of 2026. This is a unique opportunity for graduating seniors and recent college graduates to participate in groundbreaking empirical social science, public policy, economic, and legal research. Past fellows have found the experience to be valuable preparation for graduate school and have matriculated to a number of prestigious graduate econ, law, and business programs.

## Events, Internships, and Jobs

### Events

#### Résumé Review Rush

Friday, September 19, 2:00 - 5:00 p.m. Johnson House.

#### Fall Recruiting Showcase

Monday, September 22, 6:30 - 9:00 p.m. • St. Olaf College, Tomson Hall 280 & Atrium.

#### Government & Nonprofit Career Fair

Friday, October 31, 2025 • 10:00 a.m. - 3:00 p.m. • University of Minnesota, Coffman Great Hall.

### Internships

#### Carl Connection: S&E - Software Strategy Group - Summer Associate

EY-Parthenon. Due Sunday, September 21.

#### Actuarial Internship (Summer 2026)

Principal Financial Group. Due Thursday, October 2.

#### IT Development Program Intern (Summer 2026)

Genworth. Due Thursday, October 2.

#### Actuarial Internship (Summer 2026)

Northwestern Mutual. Due Friday, October 3.

### Jobs

#### Carl Connection: S&E - Software Strategy Group - Associate

EY-Parthenon. Due Sunday, September 21.

#### Foster Insights Data Analyst

University of Chicago's Center for RISC. Due Friday, September 26, 2025.

Info session: Monday, September 15 at 5:30 PM CT. [Join here](#).
