Carleton Class of ’92 30th Reunion

Dear Class of ’92,

Your friendly neighborhood 30th Reunion Committee has been hard at work planning an amazing weekend. Registration is now open, and on-campus housing will fill FAST, so do not delay! It will be wonderful to gather together in person, so please register and start making your plans for Reunion on June 16-19, 2022.

We’ve planned events to include everyone:

- **Joyfair on Friday Afternoon**
  So much has happened these last few years. Many of us have turned to crafts, hobbies, and music to bring us peace and joy. With that in mind, we are kicking Reunion off with a Joyfair where classmates will invite us to join in fun activities of all kinds. Come mingle and play.

- **Changemaker Slam! on Saturday Afternoon**
  Let’s focus on classmates who do the work of making meaningful change in our communities. Hear stories of inspiration, setbacks, compromises, strange alliances, and wild strokes of luck that make real change possible. Certain to spark many conversations as we reflect on our world and the changes we want to see.

- **80’s Dance Party on Saturday Night with the classes of ’87 and ’82**
  We all know that a ’92 Reunion would not be complete without a dance party. Twin Cities DJ Shane Kramer will keep us moving all evening long with great music and videos from a great decade.

And we’ll have additional opportunities to connect and reminisce throughout the weekend. More info soon.

Before you even get to Northfield, we invite you to start catching up.

If you’re eager to learn what your classmates have been up to recently, head over to our [Class Bio Book](https://www.carleton.edu/alumni/classes/1992/need-help-logging-in/) and check it out! It’s an understatement to say the last five years have been full of challenges (anyone else miss precedented times?) but collectively we’ve made our way through it. If you’re still finding yourself stuck at home more than you would like, the Bio Book entries have lots of good recommendations for podcasts, books, and TV. You can also learn all sorts of fun facts, such as which classmate’s job involves moving millions of flower bulbs, which classmate is thinking about checking out the dating scene for the first time in over 25 years, and which classmate believes the most important thing he learned at Carleton was “Co-ed naked water polo = good. Naked winter Olympics = bad.”

Next, set aside a few minutes to write your own entry. We want to hear from you! You can answer some or all of the questions, and you can always go back later and edit. No one expects perfection! So consider this our plea to just cross it off your list!

Logging into the Bio Book (and the Alumni database) is easy peasy. If your current email address is listed in your alumni profile (applies to Gmail, Yahoo, Hotmail, or AOL — yes, really, AOL) you can log-in by clicking “sign in using your email provider.” If that doesn’t apply to you, and you’re having trouble remembering your log-in credentials you can get help here: [https://www.carleton.edu/alumni/classes/1992/need-help-logging-in/](https://www.carleton.edu/alumni/classes/1992/need-help-logging-in/)

We’ve said it before, and we’ll say it again. Reunion is all about making new memories with old friends, as well as classmates we haven’t yet met. Please join us in Northfield this June.

With love,

The Class of ’92 30th Reunion Committee
