

SUMMER UNDERGRADUATE RESEARCH PROGRAM

The **Summer Undergraduate Research Program (SURP)** at the Fred Hutchinson Cancer Research Center (Fred Hutch) is an intensive, nine-week internship designed to provide research experience and mentorship for undergraduate students who are interested in biomedical research.

The program runs from **Monday, June 14** through **Friday, August 13, 2021**. Students must be able to commit to this entire period in order to participate.

While we are planning to hold an on-site experience in 2021, we are monitoring the ongoing COVID-19 pandemic and assessing the safest way for students and staff to conduct the program next summer.

PROGRAM COMPONENTS

- Independent, mentored research project;
- Weekly professional development workshops;
- Weekly research seminars;
- Competitive poster session; and
- Social activities.

HOUSING, MEALS, & TRANSPORTATION

Interns are responsible for their housing, meals, and local transportation. Housing is available at the University of Washington for approximately \$2,400 for the duration of the program.

COMPENSATION & TRAVEL

Interns will receive \$4,794 (minus taxes). Round trip travel costs (up to \$450) are provided.

ELIGIBILITY REQUIREMENTS

- U.S. citizen or permanent resident;
- Entering the summer BEFORE the final year (or semester or quarter) of undergraduate studies;
- Strong background in the sciences or related area of interest.
