

# 2022 CHEMISTRY SUMMER REU PROGRAM

The Penn State Department of Chemistry invites chemistry and biochemistry majors to join us at the University Park campus for summer research.

Research Experience for Undergraduates (REU) students work for 10 weeks on chemical research alongside a team of research mentors to conduct an independent project.

PROGRAM DATES: May 31–August 6, 2022

STIPEND: \$6,000

Free housing in on-campus apartments

Applications are open

DEADLINE: February 20, 2022

We are an inclusive and supportive community that embraces and encourages excellence. All qualified applicants are encouraged to apply.

*For more information on the program and on how to apply, visit our website:*
